

amendment and to advance the bill. I'll try to answer any questions, but, as I say, it is real simple. Trying to cut off the potential tail for potential reimbursement of up to about \$135 million. We do that by repealing now, immediately, with the E clause, the laws under which that could happen.

SPEAKER NICHOL: Any further discussion on the adoption of the DeCamp amendment? If not, the question is the adoption of the DeCamp amendment. All those in favor vote aye, opposed nay. Please vote promptly, if you care to, so that we can move on this afternoon. The Appropriations Committee is working and I understand we will need some help from all of us today, this afternoon so that we can move along. Help. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays on adoption of Senator DeCamp's amendment to the bill.

SPEAKER NICHOL: The DeCamp amendment is adopted. Do you have anything else on the bill?

CLERK: Nothing further on the bill, Mr. President.

SPEAKER NICHOL: Senator DeCamp.

SENATOR DECAMP: I move the bill be advanced. If there are no further lights on, all I would say is there is a study going on by the Revenue Committee, probably should be done by the Banking, Commerce and Insurance Committee. But there is a study going on by the Revenue Committee on how to change the tax system for taxing insurance companies this summer. Needless to say, I'm sure they will do a good job and we'll be watching closely.

SPEAKER NICHOL: The question is the advancement of the bill. All those in favor vote aye, opposed nay. We're voting on the advancement of the bill. Please vote if you would, please, I need your help. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays on the motion to advance 726, Mr. President.

SPEAKER NICHOL: The bill is advanced. Move on to LB 87A. Following this, of course, we will go back to Final Reading. I've had several ask about it so move on to 87A.
